

# Dual Enrollment

## Benefits for Students

- Earn high school and college credit simultaneously
- Save money because JSCC's tuition is less expensive than most universities
- Complete college courses transferrable to a four-year institution
- Shorten the time to attain an Associate or Baccalaureate degree
- Access to the libraries and all services provided by JSCC
- Increase course opportunities and academic rigor for high school students
- Avoid unnecessary duplication of course work

## General Education Courses

- Take academic courses that count toward an Associate or Baccalaureate degree
- Astronomy, biology, chemistry, physical science, physics, computer science, and math courses are covered by the CTE/STEM Scholarship
- Placement criteria must be met for English and/or math courses (based on ACT or Accuplacer test scores)

## Programs Covered by Career and Technical Education (CTE) Scholarship

- Child Development
- Computer Information Systems
- Emergency Medical Services (seniors only; must be 17 when clinicals start)
- Manufacturing Technology
- Office Administration Technology

## CTE/STEM Scholarship

- Covers tuition, fees, and textbooks for select courses in the 5 eligible CTE programs (see Career and Technical Education (CTE) Programs)
- Covers tuition, fees, and textbooks for STEM classes (see General Education Courses)
- Available for fall, spring, and summer semesters

## Eligibility Requirements

- Be in the 10<sup>th</sup>, 11<sup>th</sup>, or 12<sup>th</sup> grade (students are considered 10<sup>th</sup> graders in the fall of their sophomore year)
